## HERITAGE SANDY SPRINGS FARMERS MARKET

Pre-Order Pick-up Only

Saturday April 11th 9:00am - noon

Heritage Sandy Springs  
6110 Blue Stone Road  
Sandy Springs, GA  
Front & Back parking lot

While our regular farmers market opening is postponed, beginning Saturday, April 11th, many of our vendors have offered to meet customers who make pre-orders (no on site sales allowed). Please keep as much distance as possible between other customers and vendors. Also it would be best to have just one person pick up product at the vendors' vehicle.

Pick up location is at the Heritage Sandy Springs offices, just a block away from the market site at 6110 Blue Stone Road, Sandy Springs GA 30328 in the front & back parking lot.

Please contact the vendors directly to arrange ordering and pick up details. Most vendors are listed on the [heritagesandysprings.org](http://heritagesandysprings.org) website. If you have any questions, please contact me at [lorissfm@gmail.com](mailto:lorissfm@gmail.com). Please don't hesitate to contact a vendor directly.
